Membership Application

Welcome to the Woman’s Club of Concord! Founded in 1893, the Woman’s Club of Concord has a distinguished history of service and community involvement, which continues to this day. Housed in the Chamberlin House; acting as stewards, we are working hard to preserve this historic building where we provide affordable room rentals to ladies in transition, host activities, and offer function rentals. We are a service organization that encourages members to be involved in volunteer opportunities, explore public issues, and assist young women through our college scholarship program.
